

CURRICULUM VITAE

PERSONAL INFORMATION

Name: Terence C. Cheng
Born: 19 December 1976
Citizenship: Singapore citizen; Australian Permanent Resident
Marital status: Married with four children

Address: School of Economics
Level 3, 10 Pulteney Street
University of Adelaide
South Australia 5005, Australia
Phone: +61 8 8313 1175
Fax: +61 8 8223 1460
Email : terence.cheng@adelaide.edu.au
Website: www.terencechaicheng.wordpress.com

EDUCATION

2011 Ph.D, Australian National University
2005 M.Soc.Sci., Economics, National University of Singapore
2002 B.Soc.Sci. (Hons), Economics, National University of Singapore

EMPLOYMENT

2015 - Senior Lecturer, University of Adelaide, Australia
2009 - 2014 Research Fellow, University of Melbourne, Australia
2005 - 2006 Senior Officer, International Enterprise Singapore

AFFILIATIONS & VISITING APPOINTMENTS

2017 - Research Fellow, Centre for Research on the Economics of Ageing,
Singapore Management University.
May – July, 2018 Visiting Scholar, Centre for Social Data Analytics, Auckland U Technology.
Nov – Dec, 2017 Visiting Scholar, Ross Business School, University of Michigan
2015 - Honorary Senior Fellow, Melbourne Institute, University of Melbourne.
2009 - Affiliate, Health Econometrics and Data Group, University of York.

RESEARCH FIELDS

Empirical Microeconomics (Health, Labour), Applied Econometrics,

TEACHING AREAS

Business and Economic Statistics, Econometrics

PEER-REVIEWED JOURNAL PUBLICATIONS

(Available at <https://terencechaicheng.wordpress.com/research/>)

1. Mortality reductions from increased public health care expenditure: a role for instrumental variable mean and quantile estimates (with Laura Edney, Hossein Haji Afzali, Jonathan Karnon) Health Policy, 2018, Accepted.
2. Public, Private or Both? Analysing Factors Influencing the Labour Supply of Medical Specialists. (with Guyonne Kalb and Tony Scott) Canadian Journal of Economics, 2018, 51(2), 660-692.
3. What factors affect doctors' hours decisions? Comparing structural discrete choice and reduced-form approaches (with Guyonne Kalb, Daniel Kuehnle, Tony Scott and Sung-hee Jeon) Health Economics, 2018, doi 10.1002/hec.3572.

4. “Do You Have to Win it to Fix it? A Longitudinal Study of Lottery Winners and their Health Care Demand”. (with Joan Costa-Font and Nick Powdthavee) American Journal of Health Economics, 2018, 4(1), 26-50.
5. “Estimating the Reference ICER for the Australian Health System”, (with Laura Edney, Hossein Haji Afzali, Jonathan Karnon) Pharmacoeconomics, 2018 36(2), 239-252.
6. “Longitudinal Evidence for a Midlife Nadir in Human Well-Being: Results from Four Data Sets”. Economic Journal, 2017, 127(559), 126-142. (with Nick Powdthavee and Andrew Oswald)
7. “One Man’s Blessing, Another Woman’s Curse: Do Family Factors Explain the Gender-Earnings Gap of Doctors”. Industrial Relations: a Journal of Economy and Society, 2016, 55, 385-414. (with Stefanie Schurer, Daniel Kuehnle and Tony Scott)
8. “Attrition Bias in Panel Data: A Sheep in Wolf’s Clothing? A Case Study Based on the MABEL Survey”. Health Economics, 2015, 24(9), 1101-1117. (with Pravin Trivedi).
9. “Changes in Doctors’ Working Hours: A Longitudinal Analysis”. Medical Care Research and Review, 2015, 72(5), 605-621. (with Catherine Joyce and Wei C Wang)
10. “Creaming Skimming and Hospital Transfers in a Mixed Public-Private System”. Social Science and Medicine, 2015, 132, 156-164 (with John Haisken-Denew, Jongsay Yong)
11. “Measuring the Effects of Removing Subsidies for Private Insurance on Public Expenditure for Health Care”. Journal of Health Economics 2014. 33, 159-179.
12. “Hospital Utilisation in a Mixed Public-Private System: Evidence from Australian Hospital Data”. Applied Economics 2014 46(8), 859–870. (with Alfons Palangkaraya, Jongsay Yong)
13. “An Empirical Analysis of Public and Private Practice by Medical Specialists in Australia”. Health Policy 2013, 111(1): 43-51. (with Catherine Joyce and Tony Scott)
14. “What Factors Influence the Earnings of General Practitioners and Medical Specialists in Australia? Evidence from the MABEL Survey”. Health Economics 2012, 21(11), 1300-1317 (with Tony Scott et al.)

WORKING PAPERS & RESEARCH IN PROGRESS

Health shocks and household expenditures: Insights from the Singapore Life Panel (with Rhema Vaithianathan and Jing Li) (Status: Revise and resubmit)

Cream skimming and hospital capacity (with Ou Yang, Mark Chan and Jongsay Yong)

The effect of income-based mandates on the demand for private health insurance and its dynamics: evidence from Australian panel data (with Ngoc Anh Pham and Kevin Staub)

Health shocks and the dynamics of subjective well-being (with Rhema Vaithianathan and CREA)

Networks in the Medical Labour Market (with Kevin Staub)

COURSES TAUGHT

Advanced Econometrics (PhD, Master), Advanced Economic Analysis I (Adv. Business Statistics): 2015-2018

SUPERVISION

Ongoing, Active

Jia Song	(PhD, Principal supervisor)
Frank Darwah	(PhD, Principal supervisor)
Akwasi Ampofo	(PhD, Co-supervisor)
Danusha Gunaseela	(PhD, Co-supervisor)

Completed

Samira Choudhury	(PhD, Co-Supervisor, Completed. Placement: London School of Economics)
Jia Song	(MEc, Principal supervisor)
Arlen McDonell	(Honours, 2015)
Reece Vieraitis	(Honours, 2015)

RESEARCH GRANTS

“Incentives in Private Health Financing in Australia’s Public-Private System”. Faculty of Professions Grant, The University of Adelaide. 2017.

“Networks in the Medical Labour Market”. Momentum Grant, The University of Adelaide. 2015

“Towards a Melbourne (University) Intergenerational Report”. Melbourne School of Government Research Project Grant 2013. (Associate Investigator).

“Dynamics of Hospital Care Use and Private Health Insurance” The University of Melbourne, Early Career Research Grant & Faculty Research Grant 2012.

“Modeling Individuals’ Choice Between Public and Private Hospital Care” The University of Melbourne, Early Career Research Grant & Faculty Research Grant 2011.

CONSULTANCY AND COMMISSIONED RESEARCH

“Modelling the Impact of Private Health Insurance Rebate Changes on Public Hospital Utilisation and Expenditure”. Department of Health and Human Services, Victoria, Australia. January 2016.

“Determinants of Medical Wage Cost” (with A Scott, M Liu, J Yong) Department of Health, Victoria, Australia. July 2014.

“Earnings and Job Satisfaction among Medical Workers in Cambodia” World Bank. May 2014.

“Medical Career Path Decision Making: A Rapid Review” (with A Scott, C Joyce, W Wang) Sax Institute. August 2013.

“Measuring, Assessing and Explaining Hospital Performance (with J Yong, A Scott et al.). Victorian Department of Health. 2012-2014.

“Patterns and Determinants of Medical and Nursing Workforce Exits” (with A Scott, P Sivey) National Health Workforce Planning and Research Collaboration, December 2011.

“Workload Measures for Allied Health Workforce” (with A Scott), National Health Workforce Taskforce, Melbourne Australia, May 2010.

ADB-ALA/Nossal Institute, Melbourne, 2011

NON-PEER REVIEWED PUBLICATIONS

Book Review: Moral Hazard in Health Insurance, by Amy Finkelstein (Columbia University Press, New York, 2014). Economic Record, 2015, 91(295), 537-539.

“MABEL User Manual (with Yan, Kuehnle et al.). 2010—2014.

“Data Survey: Medicine in Australia: Balancing Employment and Life (MABEL)”. *Australian Economic Review*, 44(1), 102-112, 2011. (with Yan et al.)

“Medicine in Australia: Balancing Employment and Life” (with A Scott). *Surgical News*, 11(1) p.32-33.

POLICY PAPERS AND OP-ED

“Private health insurance rebates don’t serve their purpose. Lets talk about scrapping them” *The Conversation*, February 2018.

“Are private patients in public hospitals a problem?” *The Conversation*, July 2017 (with Peter Sivey).

“Policy downgrades – a closer look”, in Is Health Insurance Worth It, *Health Voices*, April 2017.

“Can private health insurers justify a 6.2% increase in premiums? *The Conversation*, 30 March 2015.

“Getting the Right Balance in Australia’s Public and Private Health Care System”, *Health Voices*, April 2014 (with A Scott).

“Does Reducing Rebates for Private Health Insurance Generate Cost Savings?” *Melbourne Institute of Applied Economic and Social Research Policy Brief No. 3/13*.

“Why It’s Time To Remove Private Health Insurance Rebates?” *The Conversation*. 31 July 2013.

“Health Funding: What Should We Do Differently?”, *Health Voices*, April 2013 (with A Scott).

“Private Sector Reforms Don’t Spell the End of the NHS”, *The Conversation*. 3 April 2012 (with P Sivey)

MEDIA

“Health Insurance Premiums Rise”. Radio National. 1 April 2015.

“Midlife Crises do Exist”. ABC News. 20 March 2014

“Private Health Rebate A Target for Government Razor Gang”. ABC Online. 31 July 2013

“Research Contradicts Claim Private Health Rebates Reduce Health Cost”. *The Age*. 31 July 2013.

“Cost Effective to Axe Rebate”, *Sydney Morning Herald*, 26 November 2011.

SERVICE: UNIVERSITY ADMINISTRATION

Honours Coordinator (Semester 2), School of Economics, U Adelaide, 2018

Member, Faculty of Professions Research Taskforce, U Adelaide, 2018

Co-Lead, Outreach Systems Theme, Engage for Change, Faculty of Professions, U Adelaide 2018
Seminar Series Coordinator, School of Economics, U Adelaide, 2016, 2017
Member, Research Committee, School of Economics, U Adelaide, 2016
Member, Recruitment Committee, Junior Hiring, U Adelaide, 2016, 2017
Panel Member, PhD candidate confirmation. Melbourne School of Population and Global Health, U Melbourne, 2013.

SERVICE: CONFERENCE/WORKSHOP ORGANISATION

User Training Workshop on MABEL Data. University of Melbourne, April 2014.
Annual Health Economics Workshop. University of Melbourne. 2012-2014
Organised session on “Political Economic of Financing and Supply-Side Responses in Mixed Public-Private Systems: Evidence from Experimental and Observational Studies” (co-organiser with J. Hurley, McMaster U), World Congress on Health Economics, Sydney, July 2013.
Organised session on “Economics and Econometrics of Mixed Systems” (with D. Fabbri, Bologna U), European Conference on Health Economics, Zurich, July 2012.

Organised session on “Economics on Mixed Public and Private System” (co-organiser with J. Hurley, McMaster U), World Congress on Health Economics, Toronto, July 2011.
